

Are credit issues preventing you from realizing your dreams?

Credit Coach has developed a unique, comprehensive system of credit repair that combines coaching, tools, education, and motivation. We've helped many individuals and families realize their dreams. Credit Coach can help you too!

Credit Coaching

A comprehensive program to help individuals and families develop a manageable plan to repair their credit and build new credit. Your personal Credit Coach will focus on monthly education, motivation, tools, and one-on-one assistance to help you meet your goals. *We will help you:*

- Identify your current credit and financial status
- Correct any credit report errors
- Develop a workable budget that includes savings
- Pay off or settle old debts
- Secure new, good forms of credit
- Create a long-term manageable plan to maintain credit health

Credit Coach is a licensed Credit Service Organization that provides personalized services that can help you or your family repair and rebuild your credit and renew your credit health.

Our mission is to educate and provide the tools and motivation to assist individuals and families with all forms of credit related concerns.

Credit Repair

Your Credit Coach will help you identify and correct errors on your current credit report. This service includes help creating the necessary documentation to remove errors or paid accounts from your credit report. *We will help you:*

- Obtain copies of your credit reports
- Create all necessary documentation for credit repair

"Credit Coach did a fantastic job in educating and coaching us through our credit issues. We now have our first home, with a great loan because our credit is so much better. Thanks so much Credit Coach, we couldn't have done this without you!"

- Paul and Naomi Maar, Manitowoc, WI

Credit Consultations

Credit Coach offers personalized in-depth consultations that are tailored to your specific needs. You will receive a personalized letter and report that reviews your plan and serves as your guide into the future. *We will help you:*

- Identify your current credit status
- Educate you about what a credit report is and how it's used
- Show you how to create a better credit history
- Improve your credit score

Credit Coach is confidential and affordable! Our goal is to free you from credit stress as quickly as possible so you can achieve your goals and dreams. Our program helps you gain confidence and independence rather than encouraging long-term dependence on services.
